

DELAY IN TOBACCO PLANS

Committees Extend Time for Stock and Bond Deposits.
The time limit for depositing the preferred stock and the 4 per cent and 6 per cent bonds of the American Tobacco Company with the various protective committees expired at 3 o'clock yesterday, but as a majority of the different classes of securities had not been deposited at that hour an extension was granted.

FAIL TO GET A MAJORITY

Court Is Expected to Order That Reorganization Expenses Be Paid by the Company.
The time limit for depositing the preferred stock and the 4 per cent and 6 per cent bonds of the American Tobacco Company with the various protective committees expired at 3 o'clock yesterday, but as a majority of the different classes of securities had not been deposited at that hour an extension was granted.

STATE NOTICES MUST STAY UP

Sign Smashers Urged Not to Disturb Those Warning of Forest Fires.
Albany, Aug. 28.—Following the announcement of the Automobile Club of America that it had designated September 1 as a day for destroying advertising signs within the highway limits, pursuant to a law passed this year making it a misdemeanor to deface public highways with advertising signs, the State Conservation Commission to-day issued a statement that cloth notices are posted in the forest districts of the state warning people in regard to forest fires.

ATTACKED RULERS: JAILED

Former Editor Arrested for Vilifying Taft, Alfonso and Kaiser.
El Paso, Tex., Aug. 28.—Luis de Lara, former editor of a Socialist paper in Los Angeles and more recently a captain in Francisco L. Madero's rebel army, has been sent to jail in Torreon on charges of assaulting President Taft, King Alfonso of Spain and Emperor William of Germany in recent public speeches. The complaint is signed by local consuls for the three countries.

EIGHT PERSONS NEAR DEATH

Bolt of Lightning Strikes Room Several Times, but No One Is Hurt.
Dunkirk, N. Y., Aug. 28.—Eight persons who were examining a collection of photographs at the home of E. M. Ditcher, of Fredonia, were close to death late last night when a bolt of lightning struck down the chimney. A ball of fire circled the room several times, leaving a charred course in the wall paper and tearing plaster off the walls.

AMOSKEG MAY CHANGE POLICY

Talk of Making Big Cotton Corporation Voluntary Association.
Boston, Aug. 28.—A change in the financial policy of the Amoskeg Manufacturing Company, the largest cotton cloth manufacturer in the world, from a incorporated company to a voluntary association, and an increase in the capital stock from \$7,500,000 to \$10,000,000 are proposed in a circular received by the stockholders to-day. It is proposed to issue for each share of the present stock two shares of 4 1/2 per cent cumulative preferred and three shares of common stock.

OBSERVE "FEAST OF THE DEAD"

Chicago Chinese Pay Tribute to Countrymen Who Have Passed Away.
Chicago, Aug. 28.—Hong Tze, or "Feast of the Dead," was observed by the Chinese population of Chicago yesterday. Scores of Chinese went to Rosenthal, with baskets of roast pig, chicken, duck, salted meats and fish, chop suey, watermelon seeds and other delicacies, which they distributed at the graves of the Chinese who had died during the past year.

FOR STATE LIQUOR CONTROL

Connecticut Press Says Purer Quality of Whisky Would Result.
Hartford, Conn., Aug. 28.—State inspectors and control of the manufacture of intoxicants was advocated by the Catholic Total Abstinence Union of Connecticut, in annual convention here to-day, by the president of the union, the Rev. J. Fitzgerald, of Fogonook. Father Fitzgerald referred to the present state laws governing the liquor business and then said:
